

GRANT AWARDS UPDATE

A Report on Current and Potential Grant Awards

RECENT GRANT AWARDS

ECONOMIC DEVELOPMENT GRANT AWARDS

Cross Rhodes Spec Building: Two Recent Grant Awards

First grant was a LocateSC Fund Grant Award

Amount: \$205,999.96

The funds were used to pave the parking lot and also for other site improvements such as clearing, lighting, and signage.

Work began in late 2017 and was completed in summer of 2018.

Second grant was a Rural Infrastructure Grant Award

Amount: \$247,950

The funds were used to install 20,000 sq. ft. concrete flooring in order for tenant to occupy the building.

Grant was awarded and work was completed summer of 2018.

These grants were awarded by the South Carolina Coordinating Council for Economic Development - South Carolina Department of Commerce

RECREATION/QUALITY OF LIFE GRANT AWARDS

Bobcat Landing Water Recreation Grant Awards

Amount Awarded: \$87,760

Awarded by: SCDNR

Awarded In 2017

County will use a combination of this grant and "C" Funds for the project.

County first had to obtain the land.

SCDOT is planning on replacing the entrance to the landing as well as replacing the bridge.

Once SCDOT has finalized their plans, the County will be able to firm up its plans for the landing.

Trying to coordinate with the State to maximize both the amount of and the appearance of the facility.

PARD GRANT AWARD

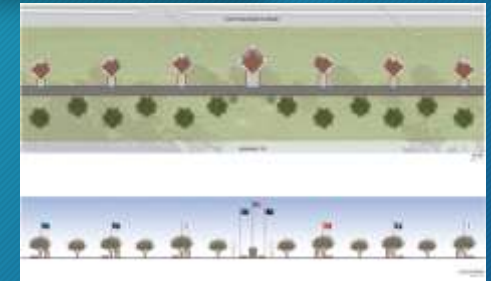

Grant for Veteran's Memorial Trail

\$40,000

Awarded by: SC Park and Recreation Development

The funds will be used to support the development of the Veteran's Memorial Trail. The Trail is arranged in seven plazas along an existing greenway and will be the focal point of the park. Each plaza will be dedicated to the branches of the U.S. Military.

Press Release

To: News Media
CC: Bamberg County Administration
From: Bamberg County Public Information Office
Date: July 3, 2018
Re: Bamberg County Awarded USDA Grants and Loans for Fire Pumper Tankers

Bamberg, South Carolina (July 2018) – On June 27, 2018, Assistant to the Secretary for Rural Development Anne Hazlett announced that Bamberg County received three awards to purchase three new fully equipped fire pumper tankers. Nationwide, the U.S. Department of Agriculture (USDA) is investing \$237 million in 119 rural communities in 29 states. The USDA Rural Development funded six projects in South Carolina, including these Bamberg County awards.

The funding will purchase three fire pumper tankers to replace the aging and unreliable equipment currently used by Bamberg County firefighters. Bamberg County was awarded a total of \$840,000 from USDA Rural Development. The first loan and grant award package totals \$280,000 and includes a \$230,000 loan and a \$50,000 grant. The second award package is for \$280,000 and includes a \$230,200 loan and a \$49,800 grant. The last award package totals \$280,000 and includes a \$230,100 loan and a \$49,900 grant.

“Bamberg County is proud to be awarded this funding from USDA Rural Development,” said Joey Preston, Bamberg County Administrator. “The county fire service has an aging vehicle fleet and it is imperative that the equipment be replaced to ensure the safety of our citizens and firefighters. The USDA Rural Development grant and loan program allows Bamberg County to purchase new, reliable equipment at an affordable rate.”

Paul Eubanks, Bamberg County Fire Coordinator said, “This purchase will put us in a much better position to provide basic fire protection and emergency response to the citizens of Bamberg County. We have trucks in service now that are over 30 years old and are a maintenance problem. The safety of our firefighters must be a high priority and they need reliable equipment to ensure they can safely serve Bamberg County residents.”

USDA Rural Development provides loans and grants to assist rural communities. “At USDA, we believe in rural America and in the promise of small towns and the people who call them home,” Hazlett said.

1234 NORTH STREET P.O. BOX 149 BAMBERG, SOUTH CAROLINA 29003

“Under Secretary Perdue’s leadership, we are committed to being a strong partner to local leaders in building healthy, prosperous futures for their communities.”

For more information about USDA Rural Development, visit www.rd.usda.gov.

“Bamberg County is committed to protecting and serving our residents. The county’s fire service is mostly supported by volunteers who donate their time to help others. These selfless individuals need adequate equipment to do their job of protecting life and property from fire damage,” said Clint Carter, Bamberg County Council Chairman. “County Council is pleased that county staff applied for and were awarded this funding to replace the aging and unreliable vehicles currently used by Bamberg County firefighters.”

Other \$7,655

- \$6,075 Pro-Pac- CERT material for the program
- \$1,580 Garage to park the CERT trailer - Govan Fire Dept.

Training/Travel \$5,788

Total Used - \$65,240

LEMPG (cont.)

2018 LEMPG

Amount Awarded - \$63,055

Award date: 8/22/18

Period of Performance is from July 1, 2018 to June 30, 2019

This grant is used much the same manner that the 2017 was used for. For the first two quarters of FY18 the grant has been used for the following items:

- Emergency Management Personnel \$10,055
- CodeRed \$5,000
- Vital Click EM Software \$3,840
- Training and related travel expenses \$2,923
- Automated External Defibrillator (AED) \$6,291
- Office Supplies \$1,474

Total received for first two quarters \$29,583

The NHTSA requires that dispatchers use guide cards which are a set of pre-arrival instructions, referred to as EMDPRS, when answering medical emergency calls. The use of a standardized and medically approved EMDPRS makes giving medical information consistent and accurate.

VitalClick, LLC is a software development company that created VitalClick EMD desktop application to improve the previously used paper-based EMDPRS.
