At this time, Chairman Carter called for public comments. Ms. Lealer Jackson, a resident of Crouch Circle, questioned the loose rocks and flying dust that is making a mess from the residue left on vehicles and porches and inside of the homes. After the discussion, it was agreed that they would have the contractor take a look at the road condition to see if there is anything that could be done to lessen the situation. He further said, "You want the county to be better, but what have you done to make it better?" Citizens were reminded of the unfunded state mandates and items beyond their control that dictated a tax increase. Councilman Guess stated that the bulk of the increases that we had this year was because of the increases in health insurance and retirement for the employees. Several additional comments were made in reference to the tax increase and council again reminded that they agreed to absorb the complete increase for health insurance and retirement for the employees.

Chairman Carter called for news media comments, none were given.

There being no further business to be discussed, on motion by Councilman Comer, seconded by Councilman Guess, council agreed and the meeting was adjourned at 8:21 p.m.
