Re: Protect Your Pets at Bamberg County's Rabies & Microchip Clinic – Saturday, May 3

Bamberg, SC (April 2025) — Bamberg County Animal Shelter, Animal Control, and Bamberg Veterinary Clinic invite all Bamberg County residents to a low-cost Rabies & Microchip Clinic on **Saturday, May 3, 2025**, from **11:00 AM to 2:00 PM** at the **Bamberg County Animal Shelter**, located at **254 Slow Pitch Road, Bamberg, SC 29003**.

Event Highlights:

- **Rabies Vaccinations: Only \$5**
- **Microchipping: Free**
- **Open to all Bamberg County residents**

Pet Safety Requirements:

- **Dogs** must be on a leash
- **Cats** must be in a secure carrier

This clinic offers an affordable opportunity to ensure your pets are protected against rabies and can be easily identified if lost. Rabies vaccinations are crucial for preventing the spread of this fatal disease, and microchipping significantly increases the chances of reuniting lost pets with their owners.

No appointments are necessary; services will be provided on a first-come, first-served basis.
